

Dimension E

Cultivating one's agricultural potential

Program offering customized services to women entrepreneurs in the agricultural and forestry sectors across Canada. It helps enhance the potential of each female farmer by equipping and supporting them in their entrepreneurial endeavors.

Professional Co-development

- WHO:** Women farmers all across Canada
- WHAT:** A peer learning process that harnesses collective intelligence to address the concrete issues experienced by the participants in the group.
- HOW:** Seven cohorts per year consisting of 8 to 10 women. Offered in French or English.
- WHEN:** Five virtual meetings per cohort, between the months of October and May (autumn 2023).

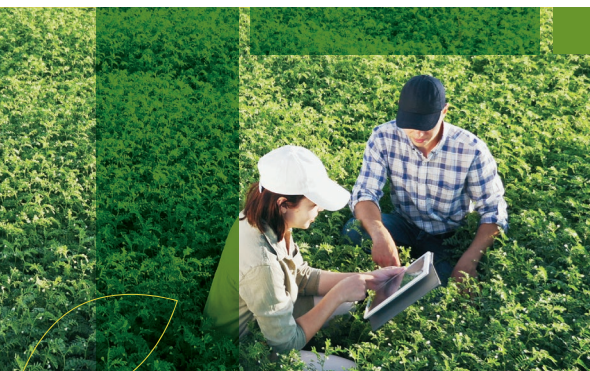

PRICE: \$250 / Agricultrices du Québec members
\$450 / Non-members

Entrepreneurial Mentoring

- WHO:** Women farmers all across Canada
- WHAT:** Individual mentoring with an experienced entrepreneur.
- HOW:** Matching process created by the Agrimmentor program.
- WHEN:** Available year-round starting from autumn 2023.

PRICE: Free

Lunch Talks and Conferences

- WHO:** Female farmers all across Canada
- WHAT:** Meetings with various experts on specific issues in the agricultural sector.
- HOW:** Virtual meetings, some of which may be available for replay.
- WHEN:** Available year-round starting from autumn 2023.

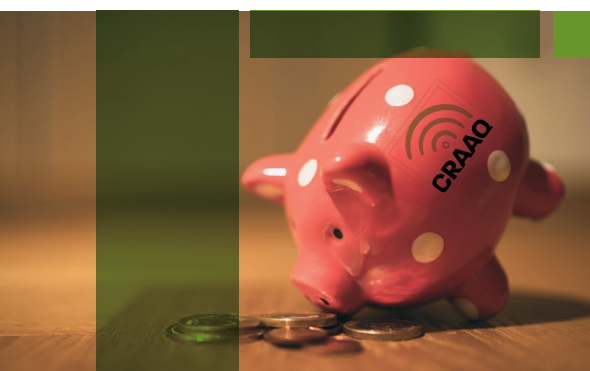

PRICE: Free

\$100 credit to

- WHO:** Members of Agricultrices du Québec
- WHAT:** A \$100 credit applicable to all documentation available on the CRAAQ website
