# ENTREPRENEURIAL MENTORING

REGISTER NOW!

2024 ~ 2025

Join a thriving community to guide you towards your success in agriculture.

The entrepreneurial mentoring service offered by **AgriMentor** enables female farmers to increase the chance of success of their activities by working with an experienced agricultural mentor.

## About AgriMentor

AgriMentor offers a free individual mentoring service to women in the agricultural sector, across Canada, available in both French and English.

## Vision

Create a dynamic and united agricultural community where knowledge and experience are shared in a meaningful way.

## Who is this program for?

The program is designed for Canadian women actively involved in the agricultural sector seeking support from experienced peers.

## Program

- › Each mentee enrolled in the program will benefit from free support from an experienced mentor in the agricultural sector;
- › Six months of individual mentoring;
- › One-hour monthly virtual meetings;
- › All meetings between mentors and mentees will be conducted under strict confidentiality rules.

To be mentored  
or  
become a mentor

## You are eligible as a mentee if you:

- › Are a woman in agriculture, including farmers, producer's spouses, farm workers, professionals in career transition, or agricultural students;
- › Speak French, English, or both;
- › Live in Canada;
- › Have a desire and willingness to be supported by an experienced mentor.

To register as a mentee, please fill out the interest form
